

Welcome Message

The Department of Civil Engineering, Chittagong University of Engineering & Technology (CUET), is going to organize the 8th International Conference on Advances in Civil Engineering (ICACE) during 10-12 December 2026, which is regularly organized in alternate years.

Inspired by the success of the previous events of ICACE (in 2012, 2014, 2016, 2018, 2020, 2022 and 2024), we are committed to upholding the excellence of ICACE-2026. This conference aims to bring together leading academics, researchers, and graduates of different branches of civil engineering for exchange of ideas and discussion on the state-of-the-art research and future trends of civil engineering. The ICACE-2026 promises to be an outstanding international platform for the participants to share their knowledge and expertise. This conference will also be a chance for the students in civil engineering discipline to be acquainted with new and advanced topics, which eventually will help them to increase academic earnings and get ideas of hands-on approaches for solving real-life civil engineering problems.

We look forward to meeting you in the ICACE-2026 at CUET, Bangladesh.

Conference Theme

The conference participants are encouraged to submit papers over the full range of Civil Engineering discipline including but not limited to the following areas:

- Structural Engineering
- Geotechnical Engineering
- Transportation Engineering
- Water Resources Engineering
- Environmental Engineering
- Engineering Management

Submission of Abstract

An abstract need to be submitted as the first step. The abstract will state objective, key results, and conclusions within 500 words. Keywords should be limited to 4-7 words. The abstract submission is online and should follow the given link: <https://icace.cuet.ac.bd/>

Submission of Full Paper

Upon the acceptance of abstracts, authors will be asked to submit the full paper in the prescribed format. Each paper will go through a double-blind peer review process. The technical committee will make the final decision based on the comments from the reviewers.

Conference Proceedings

All the accepted papers will be included in the conference proceedings. A printed book of abstract will be published. Selected papers may be considered for publication in a Springer conference proceedings. Springer will conduct necessary quality checks on the accepted papers and papers passes these checks will be published.

Conference Venue

Department of Civil Engineering
Chittagong University of Engineering & Technology
Chattogram-4349, Bangladesh

Key Dates

Abstract submission deadline	09 May 2026
Abstract acceptance notification	21 May 2026
Full paper submission deadline	01 August 2026
Full Paper acceptance notification	15 September 2026
Camera ready Paper Submission	01 November 2026
Regular Registration	02 - 26 November 2026
